Increase Members On Rationing Board

With the rigid gasoline rationing program being prepared now and the curtailment of many other American needs to an absolute minimum in sight for the duration, War Price and Rationing Board No. 31-4 has been increased to twelve members, three of whom are Daly City residents.

The announcement was made, this week, by Mrs. C. F. Day, executive secretary of the board following the approval of new board members by the San Mateo County Rationing board. Daly City members of the rationing board are Mrs. J. A. Ledterman, local housewife; Claude Cattori, retired manager of the Colma branch, Bank of America; and Charles Suenderman, retired business proprietor.

It was announced simultaneously that a deputy board would set up an office in Daly City to serve local applicants. This office will be open possibly two days a week, and an opening date has not yet been set. The deputy board will consist of a panel of the entire rationing board of twelve members. Time of opening and place of the Daly City branch will be announced later. Prior to the decision to establish the Daly City office, a petition, circulated by Daly City residents for the establishment of a board here, was approved by the city council at a special meeting. A committee, consisting of Joe Sarto, James Schultz, and A. J. Bodien, was named to appeal for a board here.

Mrs. Ledterman, who has been

Peninsula Officers Schedule Luncheon

Over thirty police officers of cities in San Mateo county were in Daly City, Tuesday, attending the monthly luncheon meeting of the county division of the Peninsula Police Officers association held at 1 p. m. at Ric's Place, San Pedro road.

Police Chief Ed Wheeler, San Carlos, president of the organization, was chairman at the business meeting attended by chiefs, sergeants and patrolmen. Chief Wheeler, as president, succeeds the late Lieutenant A. L. "Barney" Hilton of Daly City as head of the group.

Daly City officers also attended. Chief James G. Reardon, Daly City, is a member of the association's executive committee which includes Police Chiefs William Maher, San Bruno, and James Smith, San Mateo.

It's Postponed Again!

Change Dates For Gas Rationing Signup To November 18-19-20

Motorists whose driving is doomed to be curtailed to a four-gallons-per-week schedule may get one week's reprieve, with the postponement of registration for basic ration books to next Wednesday, Thursday, and Friday, November 18, 19, and 20. This delay will probably cause postponement of the effective date for rationing, originally announced as November 22.

"The rationing board sent us notice Tuesday morning that the dates had been changed to November 18, 19, and 20," said R. L. Crane jr., superintendent of grammar schools, where the registration will be held.

"All schools will be open today and tomorrow as usual," he added, "but we will close, Wednesday, Thursday, and Friday of next week, so that motorists can sign up."

The books are being issued at the following schools in Daly City: Woodrow Wilson primary, 43 Miriam street; Jefferson elementary, 14 Alemany street; and Crocker elementary, 649 Bellevue avenue. All grammar schools will be closed on the registration days, and all motorists who intend to drive their cars in the future must go to one of the schools to register.

Forty-four grammar school teachers, aided by thirty volunteers, will handle the registration of the estimated four thousand Daly City motorists, R. L. Crane jr., superintendent of schools, said yesterday.

Hours when registration will be held are from 8:30 a. m. until 7:30 p. m. on each of the three registration days.

"By no means will any registration be made after the final day," Crane said in warning all motorists not to fail to register. Everyone was urged to register near the school where they live, and not at a "foreign" school.

Application blanks for the "A" cards are available at local service stations and should be filled out before going to the school. The registrar there will check it to see that it is filled out correctly and detach the tire inspection sheet. This inspection sheet should be kept by the motorist, as OPA tire inspectors will need it when they make their regular periodic tire inspections required of every "A"

No Local Ceremony For Armistice Day

The first Armistice Day in time of war in the history of America was observed, yesterday, in Daly City. No elaborate celebration was planned here, yesterday. This policy was followed by most American cities in devoting all time and energy to the present war.

Nearly all busines places here were closed, yesterday. Jefferson Union high school and all grammar schools in the Jefferson Elementary district were closed. Both the Daly City and Colma branches of the Bank of America observed the legal holiday, and all offices in the city hall were closed except the Daly City Police department.

Give Santa Claus A Break--Mail Early

Santa Claus may possibly get a supplemental mileage rationing book when gasoline rationing goes into effect in view of his good standing. But all Daly City Christmas shoppers were reminded by the Post Office department that this is still war, and if Santa is to deliver packages on time they must be mailed EARLY.

All parcels to the East should be mailed not later than December 15 and all first class mail by December 20 in order to arrive by Christmas, it was announced by Gustav John, branch manager of the Daly City post office.

War Brings Changes— Just Ask This Young Bride, Now At Shipyard

This war changes many things —even a lovely young bride from a housewife to a shipyard worker. We're talking about Mrs. Efrian Romero, formerly Miss Lena Bertini who is well known in the community as a former Jefferson Union high school student and back five years ago as one of the Fiesta queens in the gala Golden Gate bridge opening celebration.

Lena, who had formerly been employed as a textile worker in San Francisco, was married to Efrian Romero only six months ago. Romero was a molder at Mar-

Lewis To See Combat Engineer Duty

William G. Lewis jr., 424 Bellevue avenue, who recently entered military service, has arrived at the Engineer Replacement Training Center at Fort Leonard Wood, Missouri, for an intensive training program in preparation for combat engineer duty.

Training will include basic subjects like close and extended order drill, manual of arms, rifle marksmanship and combat principles as well as the functions of military engineering — use of tools and equipment, building of fixed and floating bridges, demolitions and construction of roads and obstac-

When You Give 'Em, Prepare 'Em Right!

In giving tin cans to Daly City grammar school pupils for the national salvage drive, housewives here were asked to see that every single can has been prepared properly before it is donated. Otherwise, the can is of no value as salvaged metal, R. L. Crane jr., local salvage chairman, announced.

To be "properly prepared for salvage", each tin can must be washed, have the labels removed, and be flattened by stepping on it heavily.

"Too many tin cans are being donated that are not being washed and flattened," Crane pointed out. "They are not being used at all, because a large accumulation of tin cans not prepared would take so much labor and time to wash them all and flatten them, that it isn't worth it."

On the other hand, a housewife

Daly City Couple Lay Ill For Days Without Food, Medicine

The tragic death of a 74 year old Daly City man, Charles Reed, 268 Los Olivos avenue, Sunday, in San Mateo Community hospital, followed the death of his 59 year old wife, Mrs. Mary Reed, by only two days.

Even more pathetic was the fact that both man and wife lay ill with pneumonia at their home on Los Olivos avenue for several weeks without the attention of anyone. Both were confined to bed, too seriously ill to prepare food for themselves or get medical aid. No relatives or friends were near to know of the serious illness that finally overtook the aged couple.

It was not until a week ago that they were known to be ill. Eugene Gfroerer, 269 Los Olivos avenue, a neighbor, telephoned Daly City police, last Wednesday, asking that they investigate at the Reed home since there had been no sign of life there for some time. Officers George Hopman and Roland A. Petrocchi went to the Reed home, but no one answered the door. Knowing that someone was at home, the officers broke into

Colma Police Chief To Enforce Dimout

Joseph Cavalli, police chief of Colma incorporated, was appointed chief dimout enforcement officer of that area by the Colma council, Monday, when a uniform dimout ordinance was passed as an emergency measure.

The ordinance calls for all unnecessary lighting to be extinguished in Colma as prescribed by Public Proclamations No. 10 and No. 12 of the Western Defense Command office of the United States Army. The ordinance passed in Colma is identical to the one already introduced in Daly City, and was drawn up by the California League of Cities. At Monday's meeting, Colma's council both introduced it and passed it as an emergency measure.

The resignation of R. L. Ariani from the office of city attorney was accepted formally by the council by a motion. A successor for Colma's legal department was not named. The council agreed to hold the office open for thirty days before a selection is made.

The call for bids for the proposed drainage project involving the adjoining properties of Cy-

C. D. Council May Get 'Walkie-Talkie'

A "walkie-talkie", the army's portable radio set which sends communications to men in the field of battle when there is no other means, appeared to be a possible addition to Daly City's civilian defense preparations, yesterday, when Arthur J. Bodien, director of the Civilian Defense Council, announced that plans to secure one would be aired at tonight's meeting. The Civilian Defense Council will meet at the city hall at 8 p. m.

Peter J. Becker jr., 824 Templeton avenue, an amateur radio operator "ham" in his spare time and an authority on the "walkie-talkie", will be present at tonight's meeting, and give the council more information on the portable radio set. Becker, a veteran of the last war and a member of the Daly City Post No. 410, American Legion, is already deep in civilian preparation against enemy attacks. He is area chairman for the radio network of the American Legion Disaster Relief committee. He is in possession of a "walkie-talkie", one which may have to serve this area extending far down the peninsula if disaster strikes.

The Civilian Defense Council in Daly City seeks to utilize Becker and the "walkie-talkie" if telephone lines are put out of commission in a raid, according to Eugene Lynch, chief communications officer.

Councilmen Pass Dimout Ordinance

The emergency dimout ordinance, drawn up by the League of California Cities to comply with a strict army order to extinguish unnecessary lighting, became effective in Daly City, Monday night, when the council passed the measure.

A fine of $300 or 90 days imprisonment, or both, is the penalty for violation of the ordinance. Both the ordinance and the army proclamation call for all unnecessary lighting in areas visible from the sea to be extinguished.

Proceeding with other wartime obligations of the city, the council was informed by Arthur J. Bodien that a branch of the War Price and Rationing Board No. 31-4 will hold office in Daly City two days a week to assist local applicants for rationed commodities. Bodien was a member of a committee sent by the city council to the San Mateo County Rationing board to see about setting up a rationing board in Daly City. The board in South San Francisco will continue to serve Daly City, although the two-day-a-week office will be open here. The council discussed the possibility of using the Daly City Recreation center building, 101 Parkview avenue, as a site, but no action was taken.

Daly City's increased fire protection through the recent $40,000 fire department improvement bond program afforded Daly City a reduction in fire insurance rates, it was learned at Monday's meeting. The Nationad Board of Fire Underwriters advised the council of the rate reduction on all buildings, stock and property. The reduction was as high as 24 per cent on some of the property.

Six new appointments, two of which are permanent, were made to the personnel of the Daly City Fire department. The appointments were recommended by the Board of Fire commissioners and approved by the council. Permanent appointments are M. Hansen and G. Colloty. Appointments for the duration included Fred Bertetta, Ernest Martini, E. Bertelli, and William A. Degliantoni.

The council voted to send Fire Chief A. P. Chesney to a meeting of fire chiefs in Sacramento.

The entire city council and a number of city officials will attend a meeting of the League of California Cities in San Carlos, Thursday, November 19.

Police Crack Down On Light Violators

Only a few hours after the emergency dimout ordinance was passed by the city council, Monday night, the Daly City Police department went into action against motorist driving with bright lights, issuing twelve tags to violators to appear in Daly City court.

The police department really started in earnest on enforcing the new wartime measure, Tuesday night, when Police Chief James G. Reardon doubled the patrolmen on duty and placed two patrol cars on the beat. Eight auxiliary police officers also accompanied regular officers in the city-wide dimout enforcement. Chief Reardon said that the additional officers will be on duty with the regular night officers every night during hours when traffic is heavy and motorists are violating the ordinance by driving with their lights on.

Daly City traffic court will join other coastal cities now, in fining violators in a rigid enforcement of the order. First tagged violators will appear in court, Friday, Nov-

Jeff To Conclude PAL Campaign, November 20

Idle, tomorrow, following their Armistice Day battle with South San Francisco, Jefferson high's Indians will wind up the 1942 football season, Friday, November 20, on Jefferson field against San Mateo high school.

This last game will end a PAL campaign which found the Jeffs dogged by tough luck with a 19 to 12 loss to Palo Alto and injuries starting it. For full details of yesterday's game with the South San Francisco Warriors, see next week's Record.

"Eagle Squadron" Comes To Daly City

The first screen story of American fighter pilots in the Royal Air Force is told in Walter Wanger's new Universal film, "Eagle Squadron", currently playing at the Daly City theatre, with Robert Stack and Diana Barrymore in the leading roles.

Other notables in the lengthy cast include such well known players as Jon Hall, Eddie Albert, Nigel Bruce, Evelyn Ankers, Leif Erikson, John Loder, Edgar Barrier, Isobel Elsom, Gladys Cooper, Poul Cavanagh, Richard Davies, Jill Esmond, Gene Reynolds and Alan Hale jr.

Stack portrays a young Californian who joins the Eagle Squadron and flies a Spitfire against the Nazis. Miss Barrymore, youngest member of the celebrated stage and screen family, is making her motion picture debut in "Eagle Squadron" in the role of a member of the Women's Auxiliary Air Force.

Authentic highlights in the picture include a raid by the dreaded British Commandos, scenes of modern warfare in the clouds, and a close-up view of war work by women, which includes flying transport planes, operating radio communications and firing anti-aircraft guns.

Pershing Postpones Popcorn Sale To Nov. 20

General Pershing P. T. A. has postponed its popcorn sale until Friday, November 20, according to an announcement made, this week, by Mrs. Sophie Evans, publicity chairman. It will be held at the school, following lunch. Chairman is Mrs. J. Delucchi.

President Mrs. Mildred Rasor has appointed Mrs. Adele Hanelt, 328 Winchester street, as War Service chairman for the unit. She will organize block mothers for the area. Members interested in serving as block mothers may contact Mrs. Hanelt at DElaware 7984 for further information.

Mrs. Rasor has named Mrs. Evans chairman for the telephone whist, scheduled for November 20. The affair will be held in the homes of members and plans are not yet complete. They will be announced next week.

Pershing P. T. A. members will assist with the gas rationing sign-up.

Fete Alice Forest At Farewell Party

Miss Alice Forest, who became Mrs. Arthur Smith, Saturday in Colorado, was feted at a farewell party, last Wednesday evening at the home of her parents, Mr. and Mrs. A. Forest, 599 Niantic avenue. Guests were members of the Campus Co-Eds and other immediate friends.

The new bride and groom are well known in Daly City. Smith was a popular instructor at Jefferson Union high school before he entered the army.

At the party another romantic announcement was made when Miss Rose Siragusa disclosed her engagement to True Adams, San Francisco.

Miss Emilia Bertini will serve the organization as its secretary now that Miss Forest has left Daly City. Other officers are Miss Pat Lawson, president; Miss Siragusa, vice president; Miss Verna Flatt, treasurer; Miss Pebby Barker, publicity manager.

Central Creamery Reopens Tomorrow

Central Creamery, 6331 Mission street, one of Daly City's most popular lunch and refreshment spots, will open its doors, tomorrow morning, ready for business in a newly decorated setting.

The creamery was closed two weeks ago when a fire threatened the building. The Daly City Fire department brought the fire under quick control but damage forced the creamery to close for repairs.

Brand new equipment and a redecorating job make a pleasant atmosphere at the creamery. Al Pulley, proprietor, announces that a wide variety of fountain selections will be on the menu. Having a reputation for being "the place to go for a cup of coffee, a sandwich, ice cream, or a full meal", the creamery offers prompt and courteous service to all its patrons.

During the evening, Al Boynton will be in charge.

Announces Marriage Of Muriel Hollingsworth

A marriage application was made, this week, in San Francisco, by **Angelo Lucchesi**, 24, Colma, and Sylvia Scalabrino, 20, San Francisco.

JEFFERSON HIGH NEWS

"AIR RAID"

Sometime during this week, a mock air raid will take place at Jeff. When the "alert" sounds, the air raid precaution system will be tested. Students will be conducted to "safe" areas in the hall by their leaders and assimilated incidents will test the efficiency of the first aid squad, under the supervision of the physical education department.

Then at various times, other mock raids will be given, and at each one, a different squad will be put through its paces. In addition to the first aid squad, there are the police squad, rescue squad, fire squad, and messengers.

Dramatics

"Queen Victoria — Woman and Queen", a play in three scenes, was presented three times last week by members of the dramatics' class, under the direction of R. J. Gale.

The cast included Lowell Coy, narrator; June Clark, Queen Victoria as a young girl; Viola Pisani, Queen Victoria married; Peggy Reagan, Queen Victoria as an elderly lady; Joe Rodriguez, Albert; Harriet Medeiros, Queen's mother; Theresa Falbo, maid; Donald Shepperd, servant; Gene Hopper, Lord Coningham; George Lagomarsino, Archbishop of Canterbury.

Costume mistress was Harriet Medeiros and stage manager was George Lagomarsino.

AWVS Juniors

Miss Edna Smith, sponsor of the AWVS Juniors announced that the group's stamp and bond booth is still going strong. To date, $2,185.50 has been sold; while the month of October saw students buying $328.75 worth of stamps and bonds. The lowly freshman class is doing alreet by itself, still leading the classes in the amount bought—$130.35 was purchased by its members last week. The best day that the booth has had this month was last Thursday, when $172.20 was sold.

STAMPS 'N BONDS

For the month of October, 61 per cent of the students dug down into their jeans and found enough coppers to buy a stamp to lick a Jap. When 90 per cent of the student body cooperates, the school will be allowed to fly the Minute Man flag, issued by the Treasury department.

Last week, 507 students signed cards pledging to buy $680 in bonds and stamps each month. Out of the freshman class, 145 pledged to buy $175.60; sophomores—151 pledged $165.35; juniors—106 pledged $149.85; seniors—105 pledged $170.45.

Another booth, constructed by Truman Bentley, shop instructor, was set up in the cafeteria.

DANCE

Tickets are being distributed for the "Liberty Swing", free dance to be held next Friday night, November 20, in the gym. Every student who brings a key and buys a 25 cent war stamp will be given a ticket admitting him to the dance. All alumni are cordially invited to come and cut a rug with the Indians of Rhythm, but they must first obtain a ticket.

"JOIN THE NAVY"

"Never in all history has the call for defenders of freedom been so urgent as at this moment.

"Brave men are needed—stouthearted men — men who would rather fight to stay free than live to be slaves.

"If that's the way you feel about it, your place right now is with the Navy—your Navy—in America's first line of attack — shoulder to shoulder with the red-blooded men of action who are determined to defeat the Axis, who are not only remembering Pearl Harbor but are doing something about it.

"There's a big job to be done. There's a big opportunity for the men who do it."

On the Seven Seas

For 45 years General Electric has developed and built electric equipment for warships. Here are a few of the ways in which electricity serves the Navy.

1. Just one battleship may have electric generators to produce as much as 180,000 kilowatts. This power would supply the needs of a city of 375,000.

2. Searchlights produce millions of candlepower of light to aid in detecting enemy ships and planes, and to guide Navy gunners to their targets.

3. More than 20 different operations are performed in bringing a naval gun to bear on its target. Electricity helps to co-ordinate these operations.

4. When a battleship goes into action, electricity helps direct the ship, operate the guns, and give the orders. G.E. is building equipment to do these jobs.

General Electric believes that its first duty as a good citizen is to be a good soldier.

The executive board meeting of Jefferson Union High P. T. A. was held at the high school, Thursday, November 5, at 1:30 p. m.

Those present were Mrs. Catherine Foreman, Mrs. Stella Filarski, Mrs. Lillian Thomey, Mrs. Hilda Heagney, Mrs. Mary Crane, Mrs. Mary Snow, Mrs. Martha Linden, Mrs. Ida Hanley, Mrs. Marie Gehreg, Mrs. Lillie Cavagnaro, and Mrs. Allene Lehigh.

Mrs. Martha Linden was chosen to accompany Mrs. Catherine Foreman to the District meeting which is to be held November 19.

Plans were made for a whist party to be held at Jefferson high school, December 3.

INSTALL MRS. HULME THIRD VICE PRESIDENT

At the last meeting of El Carmelo Parlor No. 181, N. D. G. W., Mrs. Christine Hulme, who has served the organization for more than twenty years, was installed as third vice president. An especially impressive evening had been planned in her honor.

She was installed by Deputy Grand President Mrs. Mary Fischer, with Mrs. Florence Hopman and Mrs. Louise Eliasen assisting. President Mrs. Florence Flynn and her corps of officers acted as an escort, assisting Mrs. Hulme to her high office.

At the social following the meeting all past president who have served the order since its institution in 1910 sat at a table of honor with the new third vice president and the November birthday members who were Mrs. Hattie Kelly, Mrs. Nellie Grondona, and Mrs. Flynn.

Program Chairman Mrs. Irene Littlewood and her committee had expended a great deal of effort to make the social a success. Under the direction of Mrs. Marie Davis a play entitled, "Three Old Maids", was presented with Mrs. Marge Baker, Mrs. Florence Becker and Mrs. Dorothy Donofrio enacting the parts of the three spinsters. The result was described as a "laugh riot". Between acts the audience joined in community singing with "The Three Little Sisters" and "Praise the Lord and Pass the Ammunition" being the hit tunes of the evening. At the close of the entertainment, refreshments were served.

Veteran Firemen Nominate Officers

Nomination of officers to serve the Daly City Veteran Firemen's association for the next term were made, Friday, at the regular meeting of the organization at their meeting hall, Company 1 Firehouse, 188 Santa Barbara avenue. Comrade President John F. Fields conducted the session.

Nominations will be closed at the next meeting of the association.

Reports on sick comrades were made during the regular business of the meeting, and all were wished a speedy recovery.

Following the order of business, the meeting was closed with all comrades standing in respect for the late Comrade A. L. "Barney" Hilton, at the suggestion of Fire Chief A. P. Chesney, comrade past president.

All comrades were urged to attend the next meeting, Friday, December 4. A buffet lunch was prepared by Comrade Chef J. Hesslein.

vehicle.

Motorists who must drive more than 240 miles per month may apply for supplemental rationing books when they register. The supplemental books are rated "B" and "C" and rated according to how vital the need for more travel is. However, the supplemental rationing books will NOT be issued at the schools during the three days—only the application blanks for "B" and "C" books will be given out. The supplemental books and windshield stickers will NOT be issued until they are approved by the local War Price and Rationing board.

When an applicant for a supplemental book applies at the schools during these three days, he will be given another set of questions which he must fill out and mail or take to War Price and Rationing Board No. 31-4, 473 Grand avenue, South San Francisco. The board there will issue supplemental mileage rationing books to vehicles which have been approved. "B" books entitle the motorist to 560 miles per month. "C" books carry a higher rating and allow the motorist to travel even more miles.

Here are some of the important questions which the motorist should be prepared to answer when he applies at the schools:

1. How many miles a month do you drive your car going to and from your work?

2. What are the serial numbers of your five tires? (all tires over five must be sold to the government).

3. Do you have your car registration certificate or "white slip" issued by the state?

4. Are you getting together with neighbors and sharing rides to and from work?

5. Have you purchased your Federai Use stamp or "pink windshield sticker" for 1942?

6. Do you know the address and board number of your local War Price and Rationing board?

Another basic windshield sticker and mileage rationing book which will be issued during registration at the schools is the "D" book, issued for motorcycles.

ember 20.

The dimout ordinance calls for a penalty of $300 fine or 90 days imprisonment, or both to anyone responsible for unnecessary lighting in areas generally visible from the sea or reflecting out of doors.

The ordinance is a result of a federal army order from General John L. De Witt, commanding officer of the Western Defense Command. In two public proclamations, General De Witt has ordered the described unnecessary lighting extinguished from dusk to dawn in areas visible from the sea.

In warning motorists driving through Daly City, Police Chief Reardon said:

"Nearly all of Daly City is in the zone of restricted lighting; yet we have noticed that many motorists have paid little attention to the signs warning them to dim out their lights.

"Before this ordinance was passed, all we could do was warn them to dim their lights. Now we can make arrests for violation of this ordinance, and we aren't pulling any punches!"

Arthur J. Bodien, director of civilian defense and chief dimout enforcement officer here, warned residents that this order does not apply to automobiles alone but to all houselights. He advised everyone to pull all shades in rooms where lights are on.

Opera Assn. Schedules Three Big Attractions

Three great attractions are next on the list of the San Francisco opera association.

On Sunday afternoon (November 15), the first of the Curran theatre series will be held, Paul Draper and Larry Adler. Although this is their first joint recital, both of these unique artists are well known in San Francisco.

Draper brought renown to himself by creating a style of dancing that was all his own, combining the classical form with modern technique. Adler is the first person to introduce the harmonica into symphonic music as a musical instrument. He has appeared not only with the San Francisco symphony but also with other famous orchestras as a guest artist.

Monday night, November 16, the scene shifts to the opera house where the General Platoff Don Cossacks will present a victory program of soldier songs and folk ballads handed down from generation to generation on the banks of the River Don.

On Thursday night, November 19, the Ballet Russe de Monte Carlo opens with a series of eight spectacular performances, including new numbers that proved a sensation in New York, earlier this season, new artists and new scenery and costumes.

Tickets for all of these attractions are on sale at Sherman Clay box office, EXbrook 8585.

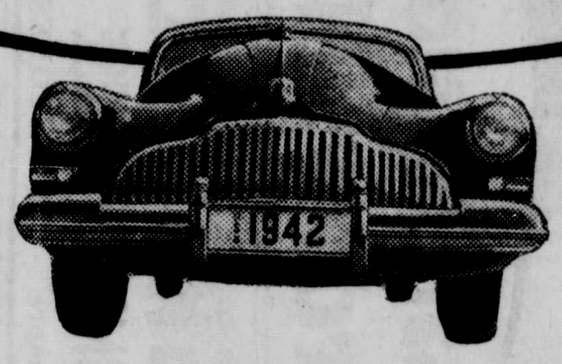
When Present Stocks of New Cars Are Sold, THERE WON'T BE ANY MORE! If You're Going to Need a New Car for Essential Work—BETTER APPLY FOR ONE NOW.



RIGHT now, Buick dealers can offer you selection from complete stocks of unused 1942 Buicks built before automobile production halted.

But every week that goes by increases the number of cars now in use that simply must be replaced in the very near future.

These cars can be replaced only from existing stocks. If you regularly drive a car in really essential service, *don't take a chance on finding present stocks exhausted by trying to get the very last mile out of it.*

Turn it in, for use by some other essential user who doesn't drive as much as you do.

New-car buying regulations are aimed at conserving both new cars and cars now in use. They also seek to put new cars in the hands of those who need them most.

Thus if you can show real need—now, while cars are available—you can get a permit to buy now, while cars can be bought.

Permits to buy won't do any good when there are no cars to be had!

Your Buick dealer will be glad to give you all information on new-car buying regulations and procedure. At the moment, he can make immediate delivery to qualified buyers on almost any 1942 Buick model.

But because Buick factories have been all-out on war production for many months, your dealer won't be able to help you when cars now available are sold.

Better see him NOW about applying for that car you're going to need.

IF YOU ARE INCLUDED IN THIS LIST YOU'RE ELIGIBLE

There are seven major classifications for persons eligible to buy new cars under basic rationing rules. These include: (1) persons engaged in the production of war materials or the prosecution of the war, directly or indirectly; (2) physicians, nurses, clergymen, veterinarians; (3) car-owners engaged in public service, such as fire departments, public health, highway maintenance, etc.; (4) owners of taxicabs and other means of transportation; (5) farmers; (6) newspaper wholesalers; and (7) traveling salesmen in certain fields.

Your Buick dealer will be very glad to help you determine whether you come under the rules of eligibility. He will also be glad to help you fill out the proper applications.

Don't guess about your eligibility—see your Buick dealer now and make sure.

If you really NEED a new car—

MEAT IS FOOD FOR FIGHTERS

On the battle front or on the home front, Meat is fighting food. Its strength-giving and satisfying qualities have made meat the center of the day's meals in 30 million American homes.

More than that, it's one of nature's most nutritious foods. On the basis of average servings, meat is a richer source of more dietary essentials than any other single food. Regardless of sex, age, or occupation, we all need meat—rich in vitamins, minerals, protein, and energy.

Let our market serve you with select, quality meat. Make our market your health center.

TIN DRIVE

can very easily wash and flatten the number of tin cans that is donated from that one household, Crane explained.

Everyone in Daly City is urged to donate ALL the tin cans they use. There is a school pupil assigned to every block in the community, and they make regular trips to each home. Save the cans, prepare them, and have them ready when the collector comes to your home.

For the past three consecutive issues, the Record has published the names of collectors in each of the three school districts, covering each street in the city. Following are the names of Woodrow Wilson primary pupils who work with elementary pupils in the Woodrow district: Robert Lucia, and Donald Cecchi, Niantic street and Knowles avenue; Leslie Nicolini, Woodrow street; Loren Wedel, San Diego avenue; Paul Galliano, Mission street; Edward Chase, Miriam street to Knowles avenue; Donald Fulton, San Diego avenue; Billie Cerna, Mission street; Charles Batterson, Hillside boulevard; Jack Kennedy, Park View avenue; Joe Mahan, Flournoy and Shakespeare streets; Billie Joan Crosthwaite and Durene Sullivan, Los Banos avenue; Lorraine Cady, Niantic street and Westlake avenue; Dolores Dillaboy, Bepler and Shakespeare streets; Annette Kollman, Park View avenue; Cleo Ann Crawford, Los Olivos avenue; Thomas Murray, Woodrow street; Barbara Shipman, Eastlake avenue; Ervin Atwood, Hillcrest drive; Mildred Okin, Vista Grande avenue; Joan Molino, Westlake avenue and Niantic street; and Alice Schultheis, Hillside boulevard.

Lewis To See Combat Engineer Duty

les. Soldiers go from here to tactical units or to special training or officer candidate schools.

Lewis is well known among young people of Daly City, having attended Jefferson Union high school. He is the son of Mr. and Mrs. William G. Lewis sr., 835 Brunswick street. He was married six months ago and entered the service since that time. His wife, Mrs. Frances Lewis, has now joined him at Fort Leonard Wood.

Madam, That Doctor Shortage Is Your Worry

Madam Housewife, if you've been reading about the growing shortage of doctors and nurses with anything less than close attention, you are overlooking one of your newest war-time responsibilities! Authorities predict that nursing care for any of your family who fall ill will shortly be strictly up to you.

If this possibility alarms you, perhaps you'd be interested in the new home nursing class to start soon in Daly City. Mrs. Ida Hanley, chairman of this Red Cross project, urges all interested women to contact her at 43 Woodrow street, RAndolph 4148. Fifteen local women have already signed up but there will be room in the class for thirty. Mrs. Dempsey, a graduate nurse, is slated to teach the course, which will be held one morning a week from 9:30 a. m. to 11:30 a. m. at Legion hall.

Mrs. Hanley also asked that any Daly City women who had previously completed the course, but not received their certificates, contact her at once.

SUICIDE

Suicide was the obvious cause of the death of a man in Colma, Sunday, when a body was found hanging from a tree near Italian cemetery.

The dead man was identified by a social security card in his pocket as Albert F. Fisher, 60, Walla Walla, Washington. He had been dead for several hours when the body was found by R. H. Graves, superintendent of the Home of Peace cemetery. His body was taken to W. C. Lasswell and company mortuary in Daly City.

Menlo Park and Bell Haven units will be hostesses.

Injuries Fatal To Mrs. Ellen Hart

Injuries from a fall down a flight of basement stairs proved fatal for Mrs. Ellen Hart, 146 Los Banos avenue, early Tuesday morning.

While visiting at the home of Mr. and Mrs. LeRoy Johnson, 72 Wilson street, Monday evening, Mrs. Hart opened a door to the basement thinking it was a bedroom door and fell down the stairs. Johnson quickly telephoned the Daly City Police department to get a doctor, and Dr. Ivan Budaeff was summoned to the Johnson home. Mrs. Hart was rushed to a San Francisco hospital where she died the following morning. Injuries included a supposed fractured skull, police learned.

Mrs. Hart is survived by her husband, John J. Hart; a son, John Hart jr.; three daughters, Mrs. Helen Suhr and Mrs. Isabelle Enzelin, San Francisco, and Mrs. Jessie Watson, Daly City. Funeral services will be conducted at 2 p. m. today from the W. C. Lasswell and company mortuary. Interment will be at Olivet Memorial park.

DISTRICT CCPT

Seventeenth district, C. C. P. T., members will have the opportunity of seeing and hearing different phases of the Department of Education at the regular monthly meeting, Thursday, November 19, at 11 a. m. in the auditorium of Burlingame high school.

Mrs. Lee H. Bissett, director of Department of Education and various chairmen will be responsible for the program.

BUY WISELY Read food advertisements carefully. Then plan your shopping. Select foods that can carry-over into a next day meal. Utilize outer stalks and leaves from vegetables. Take advantage of canned goods specials. It will pay you to become market-wise. Follow radio tips of what crops are in. Buy what is plentiful and lower in price.

PLAN NUTRITION MEALS Plan your meals for the entire day so that every day your family will eat the eight essential foods recommended by Government health experts. Nutrition is not a wartime fad. Nutrition is a matter of getting enough of the right kind of food for health and fitness. Cook foods properly to keep them brimful of health-vitamins.

TAKE CARE OF YOUR RANGE Your present range is valuable. Take care of it. You may have to use it for a long time. Keep it cleaned up at all times. Ordinance No. 244

AN ORDINANCE OF THE CITY OF DALY CITY RELATING TO RESTRICTED LIGHTING

THE CITY COUNCIL OF THE CITY OF DALY CITY DOES ORDAIN AS FOLLOWS:

SECTION 1. J. L. DeWitt, Lieutenant General, U. S. Army, Commanding Western Defense Command and Fourth Army, by virtue of the authority vested in him by the President of the United States and Executive Order No. 9066, dated February 19, 1942, and pursuant to Public Law 503--77th Congress, approved March 21, 1942, and by virtue of his powers and prerogatives as Commanding General of the Western Defense Command, has issued Public Proclamation No. 10, dated August 5, 1942, and effective August 20, 1942, which as amended by Public Proclamation No. 12, dated October 10, 1942, and issued by virtue of the same authority, reads as follows (omitting Exhibits incorporated therein):

"HEADQUARTERS WESTERN DEFENSE COMMAND AND FOURTH ARMY
Presidio of San Francisco, California

PUBLIC PROCLAMATION NO. 10
August 5, 1942

"TO: The people within the States of Washington, Oregon and California, and to the Public Generally:

WHEREAS, by Public Proclamation No. 1, dated March 2, 1942, this Headquarters, there were designated and established Military Areas Nos. 1 and 2; and

WHEREAS, the armed forces of the enemy have made attacks upon vessels of the United States traveling along the Pacific Coastal waters and upon land installations within said Military Areas, and it is expected that such attacks will continue; and

WHEREAS, it is necessary to provide maximum protection for war utilities, war materials and war premises located within the States of Washington, Oregon and California against enemy attacks by sea and by air;

NOW, THEREFORE, I, J. L. DeWITT, Lieutenant General, U. S. Army, by virtue of the authority vested in me by the President of the United States and by the Secretary of War and my powers and prerogatives as Commanding General of the Western Defense Command, do hereby declare that:

1. The present situation requires as a matter of military necessity that a Zone of Restricted Lighting be established within Military Areas Nos. 1 and 2, and that illumination within said Zone of Restricted Lighting be extinguished or controlled in such manner and to such extent as may be necessary to prevent such illumination from aiding the operations of the enemy.

2. Pursuant to the determination and statement of military necessity in Paragraph 1 hereof, a Zone of Restricted Lighting, as particularly described in Exhibit A hereof, and as generally shown on the map made a part hereof and marked Exhibit B, is hereby designated and established. Illumination within the entire area of said Zone of Restricted Lighting shall be extinguished or controlled at all times at night from sunset to sunrise, as follows:

(a) Signs, Floodlighting, Display and Interior Lighting. Illuminated signs and ornamental lighting of every description which are located out-of-doors, and floodlighting which illuminates buildings or signs (including but not limited to all exterior advertising signs, billboards, display lighting, theatre marquee signs, illuminated poster panels, and building outline lighting), and all interior light sources (as hereinafter defined) which emit direct rays above the horizontal out-of-doors, shall be extinguished. The words, "light sources," as used herein are intended and shall be construed to mean and include any light generating elements and the bright portion of any reflector, lens, luminaire, transparency, or other equipment associated herewith for the control or diffusion of light. This Section 2(a) shall not apply to illumination for industrial or protective purposes except to the extent provided for in Section 2(b) hereof.

(b) Illumination of Outdoor Areas; Street and Highway Lights. Illumination of outdoor areas and industrial and protective illumination, shall be controlled as follows:

(1) Except as provided in Section 2(b) (2) hereof, illumination on all outdoor areas (including but not limited to automobile service station yards, outdoor parking areas, recreation areas and outdoor structures and roofs) shall not exceed one foot candle at any point when measured on a horizontal plane at any level of such outdoor areas, and all outdoor light sources shall be shielded so that no direct rays from the light source are emitted above the horizontal. All interior lighting of every description shall be reduced or controlled so that it does not contribute more than one foot candle of illumination upon any outdoor area. All street and highway lights shall also be shielded so that each light source emits no more than ten per cent of its total lamp lumens at angles above the horizontal. Provided the foregoing requirements are met, any further reduction or extinguishment of street or highway illumination which would unnecessarily aggravate traffic hazards is not required.

(2) Variations from the foregoing requirements shall be permitted in the case of illumination for industrial and protective purposes, and from industrial processes, whether interior or exterior, but not including street or highway lights, only when and to the extent that it is necessary to vary from such requirements in order to achieve and maintain maximum efficiency; but only with the written approval of the Ninth Regional Civilian Defense Board, obtained in advance.

(c) Traffic Signs and Signals. Illuminated signs and signals which are authorized or maintained by governmental authority for the purpose of controlling or directing street or highway traffic shall be shielded so that no direct rays from the light source are emitted above the horizontal in respect to lights mounted ten feet or more above the ground, or above an angle of more than six degrees above the horizontal in respect to lights mounted less than ten but more than three feet above the ground, or above an angle of more than twelve degrees above the horizontal in respect to lights mounted less than three feet above the ground. Relative variations in the upward limit of light are permissible to compensate for grades.

(d) Navigation and Railroad Lights. Authorized lights necessary to facilitate air or water navigation, authorized railroad signal lights, and headlights of railroad locomotives when in motion, are hereby excepted from all the provisions of this Proclamation.

3. In addition to the restrictions hereinbefore imposed, illumination within that part of the Zone of Restricted Lighting which is visible from the sea, as hereinafter defined, shall be further diminished or obscured at all times at night from sunset to sunrise, as follows:

(a) Street, Highway and Traffic Lights. Street and highway lights, and illuminated signs (but not signals) which are authorized or maintained by governmental authority for the purpose of controlling or directing street or highway traffic and which are visible from the sea, shall be so shielded that they are not visible from the sea at night and so that no direct rays from the light source are emitted above the horizontal.

(b) Residential, Commercial and Industrial Windows. No lighting shall be permitted behind windows or glazed doors visible from the sea unless they are covered by drapes or shades.

(c) Street and Highway Traffic. Within areas visible from the sea, but subject to the exceptions hereinafter stated, vehicles shall operate at night with no more than two lighted driving lamps, regardless of the direction of travel, and each such lamp shall provide a maximum of not more than 250 beam candlepower. Normal rear lights, license plate lights and clearance lights (where required by law) are permitted. Vehicles which are classified as authorized emergency vehicles under the applicable Federal, State or local law, when operated by authorized personnel, and when displaying an illuminated red spotlight, and when responding to a fire alarm, or when in the immediate pursuit of an actual or suspected violator of the law, or when going to or transporting a person who is in apparent need of immediate emergency medical or surgical care, or when responding to some other emergency involving the protection of life or property, shall be excepted from the foregoing provision.

(d) Industrial and Protective Illumination. Light sources for industrial purposes and light from industrial processes within areas visible from the sea, shall comply with the requirements of Section 2(b) hereof, and shall also be shielded so that they are not visible from the sea at night; provided, that variations from these requirements may be permitted in the case of illumination for industrial and protective purposes, and from industrial processes, whether interior or exterior (but not including street or highway lights), only when and to the extent that it is necessary to vary from such requirements in order to achieve and maintain maximum efficiency; but only with the written approval of the Ninth Regional Civilian Defense Board, obtained in advance.

(e) Other Illumination. Except as hereinabove provided in this Section 3, all other lights visible from the sea are prohibited at night, including but not limited to light from fire, bonfires, parked cars, flashlights and lanterns.

(f) Definition of "Visible From the Sea." The phrase "visible from the sea," as used herein, is intended and shall be construed to mean and include the following:

Visible at any time from the waters of the Pacific Ocean, or from the waters of the Straits of Juan de Fuca lying south of a line extending due east from the most southerly point of Vancouver Island and west of a line running due north and south through the easternmost point of the easterly boundary line of the City of Port Townsend, Washington, or visible from any of those bodies of water located on the shoreline of the State of California generally known and described as follows:

Santa Monica Bay;
Santa Barbara Channel;
San Luis Obispo Bay;
Estero Bay; and
Monterey Bay;

Provided, however, that the waters of San Francisco Bay, lying easterly of a line extending from Point Bonita through Mile Rock, is not intended and shall not be construed to be a part of the sea; and solely for the purposes of Section 3(c) hereof, concerning street and highway traffic, the phrase, "areas visible from the sea," is also intended and shall be construed to mean and include that portion of streets or highways which may not in fact be visible from the sea but which is within areas generally visible from the sea.

4. Any person violating any of the provisions of this Proclamation, or orders issued pursuant thereto, is subject to immediate exclusion from the territory of the Western Defense Command, and to the criminal penalties provided in Public Law No. 503, 77th Congress, approved March 21, 1942, entitled "An Act to provide a penalty for the violation of restrictions or orders with respect to persons entering, remaining in, leaving, or committing any act in military areas or zones."

5. The Ninth Regional Civilian Defense Board is hereby designated as the primary agency to aid in the enforcement of the foregoing provisions. It is requested that the civil law enforcement agencies and State and local governmental bodies within the areas affected by this Proclamation assist the Ninth Regional Civilian Defense Board in the enforcement hereof.

6. This Proclamation shall become effective August 20, 1942.

J. L. DeWITT,
Lieutenant General, U. S. Army,
Commanding"

SECTION 2. Said Public Proclamation No. 12, in addition to amending Public Proclamation No. 10 as hereinabove set forth, contains the following paragraphs:

"B. This proclamation shall become effective October 25, 1942, except those provisions of Subsection 2(b) (1) hereof, concerning street and highway lights, which shall become effective November 12, 1942.

C. The recitals set forth in the first three paragraphs of said Public Proclamation No. 10 are hereby reaffirmed. Except as hereinbefore expressly amended, all the provisions and determinations expressed in said Public Proclamation No. 10 shall remain in full force and effect."

SECTION 3. The City of Daly City hereby recognizes the civil and military necessity for the concurrent enforcement of the provisions of Public Proclamation No. 10, as amended as aforesaid, by the City of Daly City and the federal government.

SECTION 4. The City of Daly City is within the Zone of Restricted Lighting, designated and established by SECTION 2 of said Public Proclamation No. 10 as amended as aforesaid.

SECTION 5. Whoever on or after October 25, 1942, shall commit any act in the City of Daly City contrary to the provisions of either SECTION 2 or SECTION 3 of Public Proclamation No. 10 as amended as aforesaid, which amended proclamation is hereinabove set forth in full, shall be guilty of a violation of this ordinance which violation shall constitute a misdemeanor and upon conviction thereof shall be punishable by a fine of not to exceed $300.00 or by imprisonment for not to exceed three months, or by both such fine and imprisonment.

SECTION 6. This ordinance is required for the immediate preservation of the public peace, health and safety, and shall take effect immediately. The following is the statement of facts constituting such urgency: The United States is at war and this city by the provisions of Public Proclamation No. 10 as amended by Public Proclamation No. 12 is located in a military zone of restricted lighting established as a matter of military necessity in order to minimize the danger of enemy attack and to provide maximum protection for war utilities, war materials and war premises. By reason of the immediate threat of enemy attack compliance with the provisions of Public Proclamation No. 10 as amended by Public Proclamation No. 12 is essential for the protection of the lives and property of the people of the City of Daly City.

SECTION 7. The City Clerk shall certify to the adoption of this ordinance and cause it to be published once in the Daly City Record, a newspaper of general circulation printed and published in this city.

* * *

Introduced this 13th day of October, 1942.

Passed and adopted as an ordinance of the City of Daly City the 9th day of November, 1942, by the following vote, towit:

Ayes, and in favor thereof, Councilmen: Cavagnaro, Lynch, Smith, Gaggero.

Noes, Councilmen: None.

Absent, Councilmen: Fahey.

A. J. GAGGERO,
Mayor of the City of Daly City.

To Hold Second Educational Conference

The second educational conference of the National Association of Manufacturers and the National Educational association, for the Bay area, will take place tomorrow, November 13, in Oakland.

With attendance limited to 100 people, 50 representatives from each association, the two groups are conducting joint meetings to further their goals. Clive M. Saiz, instructor at Jefferson Union high school, will represent northern San Mateo county at the conference.

NATIVE DAUGHTERS TO LIST VETERANS

At a recent meeting of the San Mateo County Parlors of the N. D. G. W., County History Chairman Eloise Schilling, of El Carmelo Parlor No. 181, Daly City, announced that the society has begun a registration of all veterans of the last World War who are residing in San Mateo county.

During the past three years, El Carmelo Parlor has contributed over half the registrations of pioneers who were born in California or who came here prior to 1859 to their grand parlor chairman on pioneer registrations, Mrs. Florence Boyle. This amounts to more than 1,000 registrations.

With this experience as a background they are planning to cooperate with the historical society in its latest endeavor.

an enthusiastic volunteer worker on the board for several weeks, is the only woman on the board. Mrs. Ledterman has gained experience with routine office work at the rationing office and is already familiar with the policy and methods.

Other members of the board now functioning with Daly City members are: Lester Bybee, Brisbane; Raymond Daba, Jack Hickey, M. C. McLeod, Leo Overhaus, Monsignor Egisto Tozzi, and Charles Timpany, South San Francisco; Edwin Hamon, Bayshore City; and Ray Higgins, Sharp Park.

Ballet Russe To Give Eight S. F. Performances

The Ballet Russe de Monte Carla which, with its new members, proved one of the sensations of the season at New York's Metropolitan recently, is coming to the War Memorial Opera House, San Francisco, for eight performances starting Thursday evening, November 19, under the management of the San Francisco Opera association. This is without question one of the biggest undertakings of the opera association, outside of the seasons of its opera company.

With many of the old familiar stars and with its sensational new numbers in its repertoire, there is every reason to believe from the heavy advance sale, that New York's spectacular season will be duplicated here.

Heading the company again is Leonide Massine, who, with the passing of the old master, Michel Fokine, stands today as the foremost male figure in the dance. Alexandra Danilova, most brilliant ballerina of the day, shares the spot-light with the titian-haired star of pictures, Mia Slavenska. The third to this notable triumvirate of stars, is Nathalie Krassovska, Russian glamour personified. The company also boasts of a notable aggregation of male dancers including Igor Youskevitch, Frederic Franklin, George Zoritch, Roland Guerard and a host of others.

The important musical side of the ballet is in the hands of Franz Allers, the company's conductor for several seasons past and Gregor Fittelberg, founder of the Warsaw Radio Symphony Orchestra who appears as a guest conductor.

Featuring the new works which New York acclaimed, are such highly contrasted ballets as the classical "Snow Maiden" to the music of Glazounov; the richly humorous American "American Rodeo" or the "Courting of Burnt Ranch", to the highly specialized music of America's foremost composer, Aaron Copland; the abstractly beautiful "Concerto in E Minor" by Chopin; and the new ballet to Max Bruch's brilliant concerto for violin.

Tickets for all performances are now on sale at Sherman Clay box office, EXbrook 8585.

Troop 141 Scouts Hike To Sharp Park

Members of Boy Scout Troop No. 141 left this morning for an over-night hike to Cypress Grove, near Sharp Park. They will return to Daly City tomorrow evening. They plan to visit Pedro creek while on the Coastside. Accompanying the boys is Scoutmaster Joseph Straughan.

The scouts are busy making bows, arrows and tomahawks for their Indian movie, to be photographed shortly for the U. S. O. Costumes are being made by mothers of the boys. Actual shooting of the movie is scheduled to begin in about two weeks.

Another project now under way for No. 141 scouts is the contruction of a recreation area at the rear of Grace Nazarene church, Santa Barbara and Vista Grande avenues. The cubs are helping on this enterprise. It is planned to have a fenced in space for games and a barbecue pit.

Lions To Meet Nov. 18 At Shorty Robert's

Daly City-Colma Lions club will hold their regular noonday luncheon meeting, Wednesday, November 18, at Shorty Robert's Drive-In on Junipero Serra boulevard.

The Lions did not hold their weekly meeting, yesterday, because of Armistice Day falling on that day. Next week's meeting will be a business session preceded by luncheon.

Now's the time to serve heartier meals

Old Jack Frost has hit the high spots and with the turn of temperature, family appetites favor piping hot substantial food. There is a craving for thick soups, steaming stews and quantities of buttered vegetables.

Oven foods, too, are high in favor. For convenience, and the economy of using inexpensive cuts of meat, let your oven do four-way duty as in the dinner below. A moderate oven (375° F.) is just right for meat, potatoes, and squash. During the last 15 minutes raise the temperature to 450 ° F. for the biscuits and dinner is on.

At The District Grammar Schools

AT CROCKER

A recent drive for scrap metal in the form of old keys in the school district was led by Crocker pupils, based on the number of pounds per pupil collected. A total of 55.50 pounds was collected or .310 pounds per pupil.

At Crocker school, pupils showed much enthusiasm in the drive. The high and low eighth grade classes led the school in the number of quarts contributed with five quarts. Next in line were the low seventh and high sixth grades who contributed four quarts from their room.

Pupils in Room 6 recently saw a sound film on the subject of soybeans and their food value.

After a month's absence from school, Carleen Leach was welcomed back by classmates of Room 2.

Pupils in Room 4 were shown another film on South America during the social studies period.

AT WOODROW

ROOM 4

Herbert Derungs enjoyed a pleasant week-end recently in Sonoma with his parents. While there, he visited places of interest among which was the home of Jack London, author.

ROOM 5

Jimmy Benny of the low eighth grade is a new pupil in Room 5.

During the social science period, the room is busy making charts of the Latin-American countries.

ROOM 8

Room 8 welcomes Arrah June Hanska to Woodrow Wilson school. She comes from Tulsa, Oklahoma.

ROOM 9

Graphs showing world production of cotton, wool, flax, and silk are being made by pupils in Room 9 in their study of textiles.

ROOM 12

Famous masterpieces of art are being studied by the class in Room 12. They are learning appreciation of art and how to find out what interested the artist most by his rich colorings and spottings of light and dark.

ROOM 15

Bobbie East is the new pupil enrolled recently in Room 15. Bobbie came to California from Oklahoma.

Jeff PTA Meets Nov. 16

Since many members of Jefferson Union High School P. T. A. are assisting with the gas rationing signup, this week, the regular meeting of the unit will not be held today. Instead, the session has been scheduled for Monday, November 16, 2 p. m., at the Little Theatre.

Mrs. Catherine Foreman, president, urged members to note the meeting change.

Give Your Old Sheets To Junior AWVS Girls

Old sheets and pillows are urgently needed by the Junior AWVS of Jefferson Union high school. Bandages and dressings for first aid use will be made by the girls from these items collected. The bandages will then be turned over to the local American Red Cross unit.

Anyone caring to donate may bring the articles to the high school or give them to a high school girl.

The Junior AWVS organization, started this summer in San Francisco, is a nation-wide movement for high school and junior high girls.

Already 25 young women have enlisted in the corps at Jefferson. After 30 hours of service, each girl has the right to buy the AWVS Junior's uniform — a blue shirtmaker style dress with an overseas cap.

Who'll Adopt Girl Scout Troop No. 2?

WANTED: a leader for Girl Scout Troop No. 2! That appeal is made, this week, by the Daly City Girl Scout committee. Mrs. Lyla Eldrup, former leader of the girls, has had to give up her troop activity due to taking a full time position.

The girls are fond of scouting and are anxious to have the troop maintained, which is impossible unless some woman will volunteer as leader. Anyone interested may contact Mrs. John Mosman, 232 Hillcrest drive, telephone ELkridge 1571.

Who will take over this "orphaned" troop?

Hillcrest Druids Postpone Installation

Hillcrest Circle No. 143, U. A. O. D., has postponed its installation of officers until December 14, due to the illness of Miss Rosalyn Rosenberg, incoming arch druidess. The ceremony was originally scheduled for November 9.

This month's public whist is to be held Monday evening, November 23, 8:30 p. m., at Masonic hall. Co-chairmen are Mrs. Genevieve Rosenberg and Mrs. Clara Poket. All local whist players are invited to attend.

Colma PTA Invites Public To Whist

Colma P. T. A. will hold its regular monthly public whist, Tuesday afternoon, November 17, 2 p. m. at Jefferson annex. Mrs. Paul Willbanks is chairman, assisted by Mrs. James Burgard.

A cash first prize and many other awards will be given. Refreshments are to be served and the public is cordially invited.

Colma unit observed its tenth anniversary, Thursday November 5, with a birthday party at R. S. Thornton school. Luncheon was served at 12 noon under the chairmanship of Mrs. Willbanks. Guests included R. L. Crane jr., district superintendent of schools; neighboring unit presidents, charter members, Mrs. Stella Jensen, Seventeenth district president; Mrs. Stanger, unit organizer, and Mrs. Faun Tuska, unit counsellor. A short meeting followed the luncheon.

Woodrow Unit Plans Nov. 17 Tea

Woodrow Wilson P. T. A. will hold a Teachers' Tea, Tuesday afternoon, November 17, at Woodrow Wilson school. All members and mothers of the district are urged to attend and meet the faculty at this time. The event will begin at 2 p. m.

In charge will be the hospitality committee, including Mrs. Elsie Hesslein, Mrs. Florence Hopman, and Mrs. Ethel Saame. Special refreshments are planned.

Mrs. Ida Hanley, president, announces that Woodrow unit executive board members are assisting, this week, with the gas rationing signup.

Executive board meeting was held, Wednesday, November 4, at the home of Mrs. Lena Banfield, 355 Woodrow street. There plans were discussed for the luncheon whist to be held the last Monday of the month, November 30. The unit usually holds its whist the fourth Thursday but Thanksgiving falls on the regular date, this month. The luncheon whist, to which the public is invited, will begin at 12:30 p. m. It will be held at the home of Mrs. Betty Tunstall, 236 Los Olivos avenue.

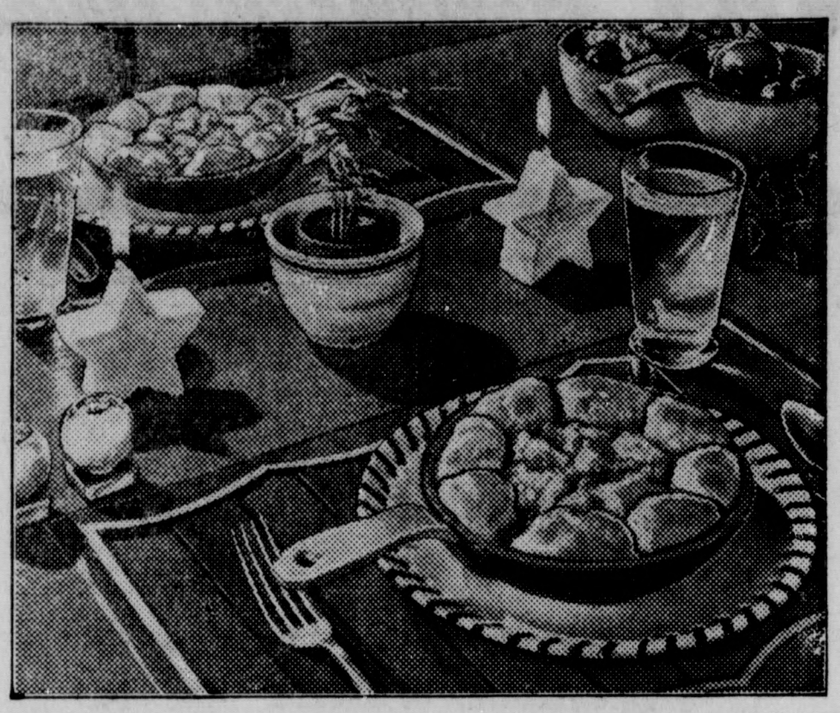
Individual CHICKEN PIES

by Dorothy Greig



IS your soldier home on leave? Cozy home dinners with pretty dishes, lights on the table, delicious food and you looking pretty and gay are heartening memories for him to carry back to duty.

For just such a home meal, here's a suggestion for the main course — individual chicken pies. They're quick and easy to make. Thick with pieces of chicken and vegetables in rich chicken gravy, topped with featherlight biscuit crust, they're a savory delight as they are set smoking hot on the table.

2 tablespoons butter
2 tablespoons flour
1 can condensed chicken soup
½ cup milk
¾ cup cooked chicken
½ cup peas and carrots, cooked
½ teaspoon salt
Pinch of pepper

Melt the butter in a saucepan, add flour and cook until frothy. Then add the condensed chicken soup and the milk and cook until thickened. Combine cooked chicken, carrots, peas, and seasonings with the sauce. Put into a small casserole or individual pie dishes. This makes 2 pies.

Cover with biscuit crust, mashed potato cover or crackers top. Put into a hot oven—400°—for 10 to 15 minutes.

Tula Council Schedules Whist

Like to play whist? Then, you have a special invitation to the large whist party planned by Tula Council No. 236, Degree of Pocahontas of the Improved Order of Redmen, for Wednesday evening, November 18, 8:30 p. m. at Eagles hall.

Mrs. Cora Ray, pocahontas, and Mrs. Martha Sanders are chairmen for the big event. They announce that a bond will be awarded, as well as many attractive and valuable prizes.

Tonight, Tula council, with two other Bay area councils, will participate in an official visit for Great Pocahontas Mrs. Palma Black. All local members are urged to attend the event which begins at 8:30 p. m. at Redmen's hall, 240 Golden Gate avenue, San Francisco. A number of candidates from the local council will be initiated.

VFW Auxiliary

Due to gas rationing, dimout regulations and other "duration" problems, Old Glory Auxiliary No. 2044, V. F. W., has decided to meet only once a month. They previously met both the second and fourth Friday evenings.

Mrs. K. V. Doolin, president, announces that the regular meeting night will be the second Friday of each month, 8 p. m., at Little Italy hall.

Marriage Application

Jack E. Heiser, 20, 1426 Forty-fourth avenue, San Francisco, and **Miss Lorraine Heim,** 20, 478 Irvington street, Daly City, applied for a marriage licence in San Mateo county, last week. Miss Heim is the daughter of Ed Heim, local police officer.

Auxiliary Plans Turkey Whist Party

A turkey whist is planned for the evening of November 18, by the members of Daly City Unit 410, American Legion auxiliary. The regular executive board meeting will be held, next Wednesday at 7:30 p. m. in the Legion hall, followed by the public whist at 8:30 p. m.

Mrs. Leslie Hanson is chairman of the game. She will be assisted by other auxiliary members. In addition to the turkey prizes, there will be other valuable awards.

Diann Hale Hostess To Brownie Pack

Diann Hale was hostess to members of the Brownie Scout Pack at a gay Hallowe'en party, October 31, from 7 to 9 p. m. It was Diann's first party in the new home of her parents, Mr. and Mrs. Al Hale, 599 Crocker avenue.

Clever decorations made an ideal setting for the Brownies, each of whom came dressed in costume. The young hostess was assisted by her mother and Mrs. DeLucci.

Guests included Mrs. P. J. Becker, Brownie leader; Barbara Anderson, Georgene Cavellero, Marianne Costello, Barbara DeLucci, Jerri Lou Haley, Adele Hansen, Marjorie Kruse, Peggy Maravelias, Christine Quickert, Janet Raynor, Martha Heintz, Carrol Clark, Jean Eliasen, Florence Matteoda, Lorraine Bergstrom, Bonnie Jean McHugh, and Eileen Poole.

At present the Brownies are busily preparing for Christmas, making gifts for friends and relatives. Their specialty is wishing candles.

ABOUT TOWN

Mr. and Mrs. August Masini, Colma, are the proud parents of a daughter, born October 28, in San Francisco.

A marriage license was issued, last week, in San Mateo county to Nick Bafico, San Francisco, and **Theresa Dell'Amico,** Colma.

INSTALL COOTIETTE CLUB OFFICERS

Officers of Gold Bugs Cootiette Club No. 32, for the ensuing year, were installed by Mrs. Hattie Heald, at Redwood City Veteran building, Saturday, November 7, at 8:30 p. m.

Mrs. Alice Foulks, Redwood City, was installed as the new chief grayback of the club.

Mrs. Myna Heffron presented Outgoing Chief Grayback Mrs. Allene Lehigh, Daly City, with her Past Chief Grayback pin. Mrs. Ella Klear presented Mrs. Lehigh with a lovely gold compact with the Cootiette emblem on its top, from the Gold Bugs club. Alex Albertus personally presented Mrs. Lehigh with a Past Chief Grayback tie. The incoming chief grayback and the past chief grayback also received numerous gifts from their friends.

Supreme Director and Grand Grayback of California Mrs. Pearl Charles and Supreme Assistant Rustling Louse Mrs. Viola Hugueria assisted Mrs. Hattie Heald as installing conductresses for the installation.

Delicious refreshments were served after the installation ceremony, which were followed by dancing and community singing.

OUR ARMED FORCES
MUST BE FED

This requires tremendous qantities of meat, which necessitates our Government curtailing the supply of certain kinds and types of meat. However this will in no way affect your having all the body building elements contained in meat that are so necessary to good health. We may not always have the exact cut or quantity that you wish; but we will have sufficient meats GENERALLY to care for our customers' needs. One cut or type of meat is just as healthful and body-building as another—so if you will cooperate, by cheerfully accepting the kinds of meat and cuts available, you will be doing your country a patriotic service and at the same time—

FEEDING OUR ARMED FORCES
